

Abendgottesdienst

The image features two lit candles against a solid black background. The candle in the foreground is larger and more prominent, with a bright, steady flame. The second candle is smaller and positioned slightly behind and to the right of the first. The light from the flames creates a soft, warm glow on the wax and casts subtle shadows.

...zur Ruhe kommen,

besinnen,

auftanken...

**Samstag, 26. Mai, 19:00 Uhr,
Kirche Bernstadt.**
